Spring and Summer Medicine. Dr. Townsend's Sarsaparilla. THE MOST EXTRAORDINARY MEDICINE IN the world.—This extract is put up in quart bottles; it is six times cheaper, pleasanter, and warranted supe-

7,000 cures of diseases of the blood, viz:
Ulcers, Scrofula, Erysipelas, Salt Rheum, Pimples on the face, &c. &c., together with numerous cases of consumption, Liver Complaint, Spinal Affections, &c.
This, we are aware, must appear incredible, but we have letters from physicians and our Agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable druggists in Newark, New Jersey, informs us that he can refer to more than one hundred and fifty cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure, and to men of character well known.
UNITED STATES OFFICER.—Cap'. G. W. McLean, member of the New Jersey Legislature, late of the United States Navy, has kindly sent us the following certificate. It tells its own story:

We publish to-day two certificates in its behalf, ne from Capt. McLean, of this town, and one from Rev. one from Capt. McLean, of this town, and one from Rev. RHEUMATISM & THE PILES.

September 10, 1846.

Dr. Townsend - Dear Sir: My wife has been for seve Dr. Townsend—Dear Sir: My wife has been for several years afflicted with rheumatism. She has tried many different remedies to obtain some relief, but all to no purpose. She was finally induced, by seeing your advertisement, to give your Sarsaparilla a trial. We procured some of it from your agent (Mr. Van Buskirk) and it gives me pleasure to state that after using it she experienced great relief, and was in a very short time perfectly cured. I was also (together with a man in my employ) badly troubled with piles, and by using a small quantity of your Sarsaparilla, our complaint was completely cured. I consider it one of the best of medicines, and would advise all who are afflicted to give it a trial

GARRIT GARRABRANT, Ciergymen and Physicians.—As well as thousands United States and British N. A. Colonies.

Dr. Townsend-Sir: Some time since you requested my opinion of the virtues of your compound Syrup of Sarsaparilla; I am now prepared to give it. I have us-ed it in my practice and prescribed it for the last few months, and musi give it my decided preference over a nything of the kind with which I am acquainted, both as to its medical virtues and the reasonable price at which you sell it. In scrofulous affections, cutaneous ruptions generally, dyspepsia, indigestion, costive ha-its, and liver complaints, I am much pleased with its bits, and liver complaints, I am much pleased with its effects. In these complaints, or any other where scrofula is indicated, I can with confidence recommend it to the patronage of the profession as a valuable auxiliary for removing diseases in some of its most troublesome forms, and to all, as a safe and valuable medicine.

Brooklyn, Nov. 21, 1846. BENJ. WEEKS, M. D. Dr. Townsend—Dear Sir: Having for some time past been afflicted with a pulmonary affection on my lungs, and a continual pain in my side, owing to evening exposure in travelling after preaching, and finding my disease to increase, with much diffliculty of breathing and other alarming symptoms, I was advised by a clergyman, ther alarming symptoms, I was advised by a clergyman other alarming symptoms, I was advised by a clergyman, a friend of mine, to try your celebrated Sarsaparilla. I did so, and after taking two or three bottles I found myself relieved. My appetite has been restored. I find myself much stronger, and hope very soon to resume my usual duties. I have been so greatly benefitted by your excellent medicine, I feel it my duty to make known the facts for the benefit of others who may be laboring under the same difficulties that I have been for some time past. Yours, respectfully, SAM. WHITE, Nov. 22, 1846.] Pastor of Baptist Church, Staten Island.

ALMOST A MIRACLE.

Read the following, and doubt if you can, that consumption cannot be cured. This is only one of the several hundred cases that Townsend's Sarsaparilla has cured:

Dr. Townsend—Dear Sir: I was taken, a little over a year ago, with a severe cough and a pain in my side. It increased on me very fast, indeed. I was pronounced by physicians to have the quick consumption. I raised by physicians to have the quiet consumption. Traised large quantities of bad matter, had night sweats, and sinking very fast: my doctor said he could do nothing for me. I went into the hospital in hope of being benefited, but was pronounced there as incurable. I was now greatly distressed at the lungs and could hardly breathe: I soon became emaciated, and expected to die; was confined to my bed, and was obliged to have watchers; indeed I cannot give you any description that would do justice to my case. I was supposed by my friends to be past recovery; I had tried a great number of rem edies, and all seemed to be to no purpose. I read of some most extrordinary cures performed by your medicine, and to tell you the truth, I suspected there was some humbug in them. But I was induced to try it; I did so, and am very thankful I did. I cannot say that I

am entirely well, but am so far recovered as to be about my business, and hope to be entirely well in a few weeks. My cough and pain in the side, and night sweats have left me, and raise but very little, and am fast gaining my usual strength. I felt it a duty to give you a statement of my case, to publish if you please.

Dr. Townsend's Sarsaparilla is sovereign and speedy ure for incipient consumption, barrenness, leucorrhoa, r whites, obstructed or difficult menstruation, incon-nence of urine, or involuntary discharge thereot, and for the general prostration of the system—no matter whether the result of the inherent causes, or produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects upon the human frame. Persons all weakness and lassitude before taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this been without children, after using a few bottles of thi offsprings.

Dr. Townsend: My wife being greatly distressed by weakness and general debility, and suffering continually by pain and a sensation of bearing down, falling of the womb, and with other difficulties, and having known cases where your medicine has effected great cures, and also hearing it recommended for such cases as I have described. I obtained a bottle of Extract of sarsaparilla, and followed the directions you gave me. In a short and followed the directions you gave me. Dr. Townsend.—To all whom this may concern: This is to certify, that my wife used one bottle of your Sarsaparilla previous to her confinement, under the most alarming and delicate circumstances, being troubled with the dropsy, swelling of the feet, nervous affections, and very much debilitred. With my persuasion, and the recommendation of shose who had used it, she was induced to try it, with little or no faith; and suffice it to say, the medicine had the happy and desired effect, not only in the hours of confinement, but after the expiration of one week of its use, the dropsy and nervous affection gave way to an astonishing degree, and her health is

DEMOCRATIC STATE CONVENTION.-In another portion of this week's paper, will be found the official proceedings of this body.-We need scarcely bespeak for them the consideration of all our Democratic readers.

It was our pleasure to be present during the session of the Convention, and we can say, without the fear of contradiction by any candid man of either party, that it was one of the most respectable, harmonious and enthusiastic political assemblages which has ever been congregated in the old North State. True, owing to the fact, that the Convention was called at a season, (12th April,) the busiest perhaps in the year, with the farmers of the State, it was not altogether so large in numbers as it otherwise would have been. It was, however, well attended, and that, too, by the very best spirits of our glorious Democracy. It will be observed that its labors occupied two days. Every thing was done in a spirit of harmony and good feeling, at the same time that the action of the Convention is the product of the amplest deliberation and consultation But one spirit animated every man who was present. An earnest, burning and enthusiastic desire to do every thing in his power to promote the good cause. Proud indeed, were we of our party and of our glorious cause, when we looked around the Common's Hail, and observed that the old men and the young men of the State were there as a hand of brothers joined-brought there by honor alike to his native State and to the rebublican party of that State, of which he has

That while the eminent success of our domestic policy has well nigh silenced the clamors of interested partizans and office-seekers at home, the wonderful and brilliant deeds of our little army of citizen soldiers

have had an important agency in precipitating a comparatively peaceful Revolution in the old world, which bids fair to secure the rich blessings of Constitutional liberty to the laboring millions of Europe; and we hereby tender to the people of gallant France our warm and most heartfelt sympathy.

6. Resolved, That the Preamble to the Res olution passed by the Whig party at the last session of our Legislature, appropriating money to the North Carolina Regiment, and in which the President of the United States is charged with having involved the Republic is the existing war with Mexico, is false, and totally unfounded in fact; that this Preamble, emanating as it did from a sovereign State of this Confederacy, was calculated by its very nature to give aid and encouragement to the public foe, and to depress the spirits of our brave volunteers: and that the authors of that Preamble, and those who continue to defend it, deserve the deepest and strongest condemnation at the hands of the people of North Carolina.

7. Resolved, That we feel bound to condemn, in the most decided terms, the conduct of the last Whig Legislature in withholding from the North Carolina Volunteers the right to elect their own Field Officers, and in conferring the power to appoint said Officers on the Governor of the State; that the Volunteers had in their own ranks men well qualified to command them, and that therefore the propo sition, which was offered by a Democrat, and sustained by the Democrats as a party, to confine the Governor in his selection to the sol diers of the Regiment, was due to the Volun teers, and just and proper in itself; and that the Governor of the State, in appointing men to command the Regiment who had just voted in the Legislature that the war was unconstitutional, unnecessary, and unjust, acted in a manner unbecoming his position, and displayed the epirit of a bitter and determined partizan.

8. Resolved. That the act of the last Whig Legislature, commonly called the Re-Districting Bill, was inexpedient-a dangerous innovation on established usage-in wanton violation of the rights of the people-was designed and intended to advance the selfish purposes of Whig leaders, and has no plea of justice or sound policy to sustain it.

9. Resolved, That when the Whig party first obtained power in North Carolina, our State was free of debt; that by their unwise, extravagant, or injudicious use of the public that this same party, with a full knowledge of the fact, in the last Legislature shrunk from meeting the danger face to face, and from providing a system gradually to relieve the Treasary of its present and prospective indebtedness

Gavin, Esc. on the 15th day of April, 1848, on motion of Felix B. Millard, Esq., Curtis Thomson, Esq. was appointed Chairman; and on motion of Malcolm Blount, Esq., Edward Vail, Esq., was appointed Secretary.

The object of the meeting was briefly stated by the Chairman.

On motion of Edward C. Gavin, Esq., committee of three was appointed by the Chair to draft resolutions expressive of the views of the meeting, whereupon Felix B. Millard. Elias Faison, and Thomas I. Faison, Esqs., were appointed to perform that duty.

The committee retired, and during their ab. sence the meeting was addressed (at their request) by Edward C. Gavin, Esq., in a very eeling manner. Loud and enthusiastic calls were then made ipon William A. Strong, Esq., to address the

meeting, which he did in strains of eloquence seldom surpassed by any gentleman of his age. The following preamble and resolutions were then reported and unanimously adopted WHEREAS, we approve of the importance of

holding a County Convention at Clinton, on Tuesday of County Court, (to be held in May next.) to select some suitable persons as can. didates to represent the County of Sampson in the next Legislature of North Carolina, and for the office of Sheriff for said County; therefore

Resolved. That the Chairman of this meeting appoint 6 delegates to represent this Disrict in the County Convention.

Resolved, That we pledge ourselves to use all honorable means to secure the election of the nominees of said Convention: but in the meantime we recommend to the favorable consideration of the Convention, as a candidate for the Senate, our long tried and patriotic friend, Edward C. Gavin, Esq., who has so faithfully served us heretofore. For the Commons, Arthur Brown, Esq., who has proved true, and our young Democratic friend, Wm. A. Strong, Esq.

Resolved, That we cheerfully recommend

Amma B. Chesnutt, Esq , (who has made us an efficient officer,) as a candidate for the office of Sheriff. Resolved, That we recommend District Con-

ventions throughout the County, to appoint delegates to the County Convention. Resolved, That the statesman-like manner in which James K. Polk has administered the

affairs of the government of the United States,

entitle him to the approbation of an enlightened and patriotic people. Resolved, That to withdraw our army from Mexico, without "indemnity for the past and security for the future," would be to acknowledge that the Mexicans were in the right and we in the wrong, and bring disgrace upon us

as a nation. Resolved, That those who assert that the war with Mexico was brought on by the act of the President, seek in this way to prolong the war, and to give "aid and comfort" to our

common enemy. Resolved. That the re-districting of the State was a measure not discussed at the last election before the people of our State, and was carried out not for the good of the people, but for partizan purposes, to secure an additional number of Federal representatives to Congress.

Resolved, That the Chairman appoint 3 delegates from this District to attend the District Democratic Convention, to meet in Wilmington on the 25th instant, for the purpose of appointing a delegate to the National Democratic Convention, to be held in the City of Baltimore, on the fourth Monday in May next, to nominate candidates for President and Vice President of the United States-and also for the purpose of electing an Elector for this Electoral District.

Resolved, That we will give a cordial support to the nominees of the Baltimore Democratic Convention for President and Vice Pres-

ident of the United States. Resolved, That, as a portion of the constituents of the Hon. James J. McKay, we take great pleasure on this occasion to express our entire approbation of his conduct as our Representative in the Congress of the United States, and would be extremely gratified to see him promoted to a higher station.
